

FOR IMMEDIATE RELEASE

Friendly Fires on Network TV Again

September 2015 – Friendly Fires was chosen once again as the trusted fireplace contractor for network television. The latest project was from Home & Garden Television (HGTV) as part of their Income Property Series.

Although Friendly Fires has dozens of celebrity and professional sports customers (Chris Neil, Ron Tugnutt, Don Cherry, Sarah Harmer, Mike Fisher / Carrie Underwood....) and we were featured in the 2015 Hollywood movie Pixels this year starring Adam Sandler and Kevin James, it's not often that our amazing technicians get filmed and make it to screen.

We can't speak much about the HGTV episode as it has not aired yet (top secret), but we can share that the episode was filmed in Apsley (Kawartha Lakes region) in between Lakefield and Bancroft. Friendly Fires would like to thank Happy Gilmore Productions as well as HGTV for featuring our team and high quality fireplace products in their productions.
