FOR IMMEDIATE RELEASE

Friendly Fires Awarded HearthStone Dealership

PETERBOROUGH, ON – November 1st 2005 – Friendly Fires announced today that it had been awarded the HearthStone dealership for the Kawarthas. Based in Spain and Vermont, each HearthStone stove is hand crafted individually (no assembly line).

"We really liked the quality and uniqueness of these stoves. Each HearthStone stove is hand signed by the craftsman who built it. In addition, each stove is a work of art – so no two stoves are exactly alike. These are going to complement our existing fireplace products very nicely"

Some additional notes on HearthStone:

- Each enamel stove is fired to 1,500 degrees to provide luster and shine;
- The built-in airwash system provide every stove with clean glass during operation
- Many models are available in gas, propane and wood.
